

Join United Methodists across the Illinois Great Rivers Conference in studying *The Acts of the Apostles: Hearts Afire and*

the Four Areas of Focus,

a six-week Bible Study between Easter and Pentecost.

The study is adaptable for existing Sunday school classes, small groups, or Bible study groups, or by new groups formed specifically for this short-term study.

While the study was designed for use by adults, it could be adapted for use with youth.

The study consists of two components: daily participant readings, and weekly group lessons.

Each daily reading includes a passage of scripture or an excerpt from one of John Wesley's writings, along with one or more questions for reflection, a prayer or prayer suggestion, and a space for recording notes.

The daily readings, which are suitable for use during participants' devotional time, are designed to "prime the pump" for the weekly group sessions.

While the weekly group sessions will still make sense if participants have not read the daily readings, the group sessions will be greatly enriched by the advance preparation the daily readings provide.

Download the Bible Study and Daily Readings from the IGRC website, www.igrc.org, and join the Facebook group, **IGRC Acts Bible Study** for discussion and resources.
